Dear Friends,

February is an in-between month. In between Christmas and Easter, in between Winter and Spring. Some days can be bright and bring out the first flowers; the next day can see a reversion to frost and snow. It is a quiet month, a time for reflection and for hopes of the future.

The Church too is in an ‘in-between’ position. In between the driving demands of life and the deeper more reflective mysteries of God. Yet to many the mystery is too deep and they are confused about the purpose of the Church. What does it mean to hold a Christian faith in a modern world and what does the Church believe? Why worship?

Most of us have grown up in or around the institution, but with only a very general idea of God or what he intends for his world. The sole purpose of the Church is to make known the loving purpose of God in our lives, yet often it seems to provide no opportunity to ask those profound questions about faith for which we seek answers.

As our guide we have the Bible, the accumulated understanding of mankind’s experience of God, and God’s revelation of himself in Jesus. As such, it holds a vast treasure of wisdom about human nature and the realities of life, which remains entirely relevant today. How much do you know of this window into the eternal? So many people say to me they wish they knew more but do not know how to find out.

During this month and the course of the year we shall hold a series of short explorations of sections of the Bible, trying to help people have a better understand of the roots of the faith. Do please think of joining in. You do not need extensive knowledge, these events will be explorations together. I am sure they will help with many of the questions you may have, plus bringing us closer together as a Church community. If you are dubious about taking part let me quote the response of a lady who did overcome her reluctance and join such a group. “Week by week the plain and simple exploration of his living word revealed what had been lacking and deepened personal friendships”.

So look out for the dates in the magazine and join us in our explorations.

Revd Chris Finlay

**THE PROPHETS, THE JUDGES, THE PSALMS AND THE LAW AND THE LAND**

In the four Sunday's of February in our services we are looking at the Prophets, the Judges, the Psalms and the Law and the Land. Four topics reflecting four different parts of scripture that are sometimes overlooked – we hope each week to give an overview of one of these themes so that we can learn how they fit together within the Bible.

These topics are drawn from E100, a booklet produced by Scripture Union that is designed to help people see the big picture of God's love for the world. People are invited to read and reflect on the relevant chapter of these booklets in the preceding week. There are also a number of groups that will meet for four weeks to enable people a greater opportunity to engage with each topic. There will be some copies of E100 in each of our churches. To order a copy or find out about joining a group contact Revd Craig Bishop (01285 750013).

**ASH WEDNESDAY**

There will be a special communion service, including Ashing, on Wednesday 9<sup>th</sup> March in St John the Baptist, Coln St. Aldwyns at 7pm

**ESSENTIAL 100**

Peter and Audrey Vaughan will be delighted to welcome all comers to study E100 (see above) at their home on Tuesday mornings throughout February. These will be daytime meetings running from 11.00am to Midday. Home is East Wing, Coln Manor, Coln St Aldwyns. First meeting on February 1<sup>st</sup>. Not essential (!) but it might be helpful to let Audrey know how many coffee cups to put ready. Telephone 01285 750598.

## MEN-ONLY CAKE-BAKING HITS HIGH SPOTS!!

Once again the annual cake-baking competition at the New Inn, Coln was a great success. About 20 entries were received, and they were judged by Bob Parkinson (from Made by Bob in Cirencester). The standard was as high as ever, and the competition was won by Bob Bastow with a delightful chocolate and ginger number! Steve Reeves was second, and Craig Bishop was third. At the end of the evening the cakes were auctioned and that, together with donations and takings from the raffle, raised several hundred pounds for local causes.

Many thanks are due to Bob Parkinson for his efforts in the judging, to The New Inn for providing a splendid buffet, to those who generously donated prizes for the raffle, to all the competitors, and to those who came along on the evening and made it a great occasion. A special thanks to David Trudgill for organising the evening once again. Don't forget to keep an eye open for news of next year's competition, which is once again planned for December. Details will appear in CHEQS towards the end of 2011!!

## **CHEQS GARDENING CLUB**

The AGM took place on Tuesday 11th January at Southrop Village Hall.

There was good attendance, as the weather was kind (unlike last year, which had to be cancelled due to snow and ice). Beryl Whiteley, the retiring Chairman, gave us a wonderful resume of the last years activities, and it has certainly been an interesting programme of speakers and visits, culminating in a very enjoyable Christmas Party.

The Chairman particularly thanked the Committee for giving their time, enthusiasm and talents to the Club, and without them, the events would not happen.

The Treasurer Rick Whiteley, reported that, as always, the Club was in profit, though the aim is always to break even, and profits had been used to subsidise the garden visit to Westwell Manor, and also to pay for help at The Christmas Party.

Subscriptions have not risen, remaining at £5 single and £9 joint membership- great value.

The Chairman reminded members that three of the Committee were retiring after many years service; Beryl as Chairman, Rick as Treasurer and Gill as Membership Secretary. They had all been thanked and presented with Gifts at The Christmas Party, and we are all very grateful for the hard work and commitment they have given to the Club over many years. They will continue to enjoy the Club at a more relaxed pace!

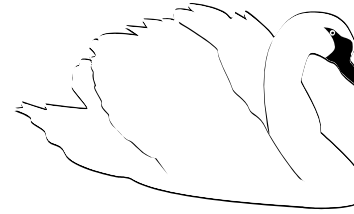

The new Committee is in place, and everyone welcomed them (see back of magazine for contacts) and there is a brilliant new programme for 2011, thanks to Jenny Huggett and her hard work over the last year.

After the AGM , there was a very enjoyable pictorial plant quiz, with small prizes for the winning team and a free glass of wine for everyone.

The next Meeting is on Tuesday Feb 8<sup>th</sup> at 12.30 - a Social Lunch at the Victoria at Eastleach- Steak and Mushroom Pie and a glass of wine for £9. Places MUST be booked and there are limited numbers, so PLEASE book early with Jenny Huggett (01367 860146)

Also please renew your membership soon so that you can enjoy all the events on the Calendar (contact Judith Davies- 01285-750580)

The March Meeting (Tues 8th) is a talk on Robins in the Garden and Literature -7-30 Southrop Village Hall. Guests and new Members are always welcome.

## **SOUTHROP PRIMARY SCHOOL FOR CHEQS**

In an annual tradition, children at Southrop are welcomed back to School in the depths of winter with a treat – trips to the pantomime in Birmingham and Swindon. The Infants saw Peter Pan at the Wyvern Theatre in Swindon and thoroughly enjoyed themselves. The flying Peter Pan was a favourite character, as was Smee, the Pirate, who made up his own lyrics to well-known songs, many of which can still be heard in the playground! The Juniors travelled further afield to see an impressive production of The Secret Garden in Birmingham, and were equally delighted by the performance. Of particular interest was the rotating stage on which actors had to move with perfect timing to be in the right place at the right time – the Juniors were most impressed!

Back at School the children are enjoying an exhilarating new range of After School Clubs. The Infants are concentrating hard on learning basic first aid skills and trying out all sorts of new sewing techniques, whilst the juniors now have an after school Choir and a new Art Club. Pottery was the first art activity; in the Choir, children having been learning songs to spread happiness and joy.

In the classroom, our Infants have a busy term ahead looking at water – in weather and our landscape – traditional stories, sounds, the artist Monet and what makes a good leader. To support their work on sounds, they will all be designing and making their own musical instruments.

The juniors are finding out about gravitational force, learning how to create presentations on the computer, and exploring castles in many forms: in Design and Technology, pupils will be looking at structural stability and strength in the construction of towers and castles, whilst in Music, the children will be considering how castles and fables have influenced composers.

It all sounds so interesting you almost want to go back to School!
